### **Drop Off/ Pick Up:**

When your camper arrives at camp, you or the adult who brings your camper will sign them in. If a different adult will be picking up your camper, we ask that you inform us in the morning while dropping off your camper.

### **What to Wear:**

Dance clothes can be worn, but shorts or a skirt are needed over a leotard and tights must be footless. What is really important is wearing clothes that are easy to move in, are modest, and can get a little messy.

### **About Shoes:**

Dance shoes can be worn during warm up and technique, but our policy is no shoes or socks are worn while doing official choreography. It's dangerous to dance wearing socks. Shoes are worn from one activity to another. **Flip flops or shoes that are quickly taken on and off are recommended.**

### **COVID-19 Policy:**

We follow CDC Summer Camp Guidelines to ensure everyone is kept safe this summer. Here are some of our guidelines: Masks recommended, temp checks, & deep cleaning of shared areas.
